Foundation for Early Childhood Education (ECE) is searching for passionate and dedicated individuals, driven to support low-income families in Los Angeles by becoming a member of our Board of Director's. Foundation for ECE is a non-profit organization that opened in 1965 and has been serving the community for over 50 years.

Our program is funded to serve over 600 at-risk and low income children and their families in Los Angeles and operates on a budget of around \$11 million.

If you, or someone you know in the community is interested in supporting our young children and their families, by joining us we would love to hear from you and share more information about our programs.

The Board of Director's at Foundation for ECE plays a critical role in our success in reviewing and approving our funding applications, providing input and guidance to the Administration Team, and networking in the community.

We are interested in members with various backgrounds and expertise. We particularly need members who are an attorney, a CPA/Accountant, and business and community member experts.

The commitment is one in-person meeting per month, at our Pasadena office.

We humbly ask for your consideration and to pass this along to other community members who are passionate about supporting our Head Start-Early Head Start-State Preschool Programs in Los Angeles.

You are welcome to forward a resume with letter of interest to
admin@foundationheadstart.org

Sincerely,
Marcie Houchen
Executive Director
