SUMMARY OF DUTIES

Under the supervision of the Health/Nutrition Coordinator, the RD Consultant will be responsible for the following services for children 0-5 years of age:

- Assist with Child and Adult Care Food Program (CACFP) classroom and food monitoring when needed and assigned by the Coordinator.
- Review nutrition screenings and assessment forms for children identified with Nutrition concerns within the required timelines.
- Develop individual care plans for children identified with food allergies including those taking medication for the allergy.
- Provide intervention methods based on the diagnosis.
- Complete quarterly Nutrition Reports, and other requirements per agency policies and funding source requirements.
- Contact families and/or physicians when determined there is concern with the child.
- Conduct training for staff, including Teaching Staff and Family Service Associates and others on topics related to Nutrition and the referral process and identifying concerns.
- Conduct parent training(s) at the sites or via zoom (or other virtual platforms) on topics identified through children's assessment results and/or Health/Nutrition Coordinator request.
- Enter completed assessments into Child Plus (Data base System)
- Use of virtual modes of communication, such as Zoom meetings during times that local regulations require social distancing and limited in-person contact.
- Meet with parents at the site, home or virtually to discuss parent concerns, review results of growth assessments, and discuss food allergies and/or dietary restrictions, as a part of completing the nutrition assessment.
- Review medical statements as it pertains to food allergies.
- Review menu(s)
- Work closely with the Registered Nurse (RN) consultant to ensure that Individual Health Care Plans are completed accurately and timely.

QUALIFICATIONS, EXPERIENCE & SKILLS

Education: Registered Dietician license and a bachelor's degree in nutrition, public health, dieticians, health/nutrition education, health administration, maternal and child health, or a related field from an institution of higher learning accredited by a regional accreditation association recognized by the Council for Higher Education Accreditation.

Experience: Minimum 3 years' experience in health/nutrition services administering or providing direct services to children between the ages of 0-5 years old and their families.

Knowledge and Skills:

- Expertise in nutrition services, food service management, child health, CACFP requirements, and ability to work with the enrolled population.
- Experience working with families and children on topics related to nutrition and health.
- Strong computer skills, with experience working on a data base system, preferably Child Plus
- Bilingual: English/Spanish (**Required**)
- Strong communication skills

PROGRAM SUMMARY

Foundation for Early Childhood Education, Inc. (Foundation) is a Head Start/Early Head Start Delegate Agency and State Preschool Grantee. As a nonprofit organization, we have supported young children and their families for over 50 years with Early Childhood and family services. Foundation for ECE, Inc. currently operates nineteen preschool sites in Los Angeles County located in: Boyle Heights, Echo Park, and Hollywood. Our Agency is expanding in the program year 23-24 to the following service areas: Highland Park and Lincoln Heights. Foundation for ECE, Inc. also collaborates with HACLA and LA City. The program fosters Family Engagement in all the areas of a child's development and provides comprehensive resources to low-income families in the areas of health, nutrition, and community resources. Foundation is a comprehensive early childhood education program with a focus on child development that includes a child's cognitive, physical, social emotional growth, and development.
